

Attention STUDENTS! Volunteer Opportunity Available!

Great Lakes Caring provides comprehensive hospice care to terminally ill residents in their own homes, Nursing Homes, and Assisted Living facilities. We offer many opportunities for students to work with hospice patients, providing companionship and sharing your Talents.

Students must be 17 or older, undergo a two step tb test and complete a free volunteer training session.

We would love to hear from YOU!!! Call the Volunteer Coordinator to receive an application packet 800-311-5365.
